Columbia Valley

Cases Produced	735
Alcohol	11.4%
Acidity	0.62
pH	2.91
Residual Sugar	1.27
Production and Aging	Stainless Steel

Tasting Notes

This lovely wine has a light straw color with a bright and brilliant hue. The nose reminds one of flower petals and also contains underlying tropical fruit tones layered with citrus, melon, and lychee fruit. The approach is full and gives a rich sensation in the mouth. Lively acidity is balanced with fresh fruit which is due to the cool fermentation in stainless steel. The finish is medium to long in duration. This is a great chilled companion to cheeses and pastas.
