

Group Tasting Policies

Hello,

Thank you for your interest in Maryhill Winery. We would be happy to host your group!

Please read the following policy to ensure that you are clear on our procedures. You may either call or email me if I can answer any further questions or if I can reserve a date for you.

Because we need to insure adequate staff to accommodate large parties, as well as a dedicated staff member or members to host your group, all groups requesting a tour are required to make reservations 3 weeks prior to the proposed date.

A personal tour & tasting offers a full tour of our entire facility, complete with detailed information relating to our wine making process. The tasting portion offers a combination of approximately 9 Classic and Reserve Wines. There is a \$25 fee per person with a minimum of 4 people required. A deposit of 1/2 of the total Tour & Tasting fee needs to be sent upon request for reservation and received 30 days prior to scheduled arrival. That fee can be paid by personal check, Master Card, Visa or Discover Card. This fee is non-refundable unless the cancellation date is 3 weeks prior to the scheduled tour date. If you have a gift certificate, then this fee does not apply.

The Tour & Tasting fee does not include seating or reserved space on the arbor for picnicking. Any given day during summer hours, the arbor may be full with regular business day customers. Should you wish to reserve space, please let me know so that we can discuss rental fees.

All group tours of the Wine Cellar are subject to winemaker and cellar crew activity. Because wine making is a time sensitive process and unpredictable, we cannot guarantee accessibility to the cellar. While we will make every effort to provide a tour, it may not be logistically possible. Should this occur you have our sincere apologies, however, there will be no refund since your private tasting will occur as planned, and we will make every effort to make your visit enjoyable.

During our busier months of April through November tours are only available at 11:00 a.m. on Saturday and Sunday. Monday through Thursday tours are available any time before 4:00p.m. with proper arrangements.

Any changes to tour arrival time or the number of attendees needs to be made no later than 14 days in advance of scheduled tour.

We hope that we will get the opportunity to serve you and to make your visit to Maryhill Winery a memorable one.
