THE VINTAGE

2017 was a warmer than average year and the growing season began slowly. Bud break occurred a couple of weeks later than usual, especially when compared to the last few harvests. The late bud break was due to the substantial cold weather that occurred in Washington State during the winter of 2016. Temperatures then rose dramatically in late June through July. The extreme heat caused vines to shut down, which further delayed harvest. Some grapes that are customarily picked early were harvested significantly later than historical dates, although this varied throughout the state. The upsides to the lengthened harvest were longer hang times and agreeable flavor development in the red varieties that need more time to age on the vine. In white varieties, acids were held which resulted in improved balance. Wines from this vintage will age longer if red, and whites will have more pronounced zing.

THE VINEYARD

Sourced from our Estate vineyard, the award-winning Gunkel Vineyards in Washington state's Columbia Valley AVA.

THE WINEMAKING

Throughout harvest, Winemaker Richard Batchelor worked closely with local growers and visited each vineyard to taste for maturity and ripeness to determine the precise moment to pick the fruit. Grapes were harvested during the cool hours of the morning to preserve bright fruit notes, destemmed then into the press. They were left overnight to extract color from the skins before being gently pressed the following morning to recover their juice. This overnight soaking allowed for maximum color and fruit extraction from the skins without the harder tannin extraction as seen in red wines. The wine was fermented at 50°F for thirty days to ensure the wine's fruit character was preserved to its fullest.

TASTING NOTES

Bursting aromas of ripe peach, starfruit and hints of clove. The palate is composed of cantaloupe, Mandarin orange and a nutty slate character with a jelly finish.
