JUNE 2024 **RED**

LETTER FROM THE OWNERS

Every year I think autumn and harvest are my favorite season and then the glorious miracle of Spring happens once again. When I walk the vineyards or our yard and see mother nature waking up, my heart is filled with gratitude. My bones warm up, the days get longer and once again I must concede Spring is the BEST! The hillsides around the winery are dusted with wildflowers so prolific it looks as if God sprinkled colorful pollen all over them. There are calves and lambs everywhere and all is reborn; it truly is a special time of year.

This time of year, also holds a special place in our hearts for the returning of seasonal employees who begin to again grace our tasting rooms. As you are visiting this spring and summer be sure to introduce yourself to any staff members you have not yet met as they love to know you to provide the best experience at Maryhill. The culinary teams are busy adding specials and the cellar crews continue to rack barrels, bottle wine, and prepare the new crush pad for the 2024 harvest. Just like the beehives in the orchards around us, everyone is buzzing about prepping for the busy season ahead of us. We look forward to hosting you, your family, and friends this summer and hope we get a chance to raise a glass with you!

As always, thank you for allowing us to grace your table!

A brief guide to CABERNET SAUVIGNON

(kab-er-nay saw-vin-yawn)

The world's most popular red wine grape is a natural cross between Cabernet Franc and Sauvignon Blanc from Bordeaux, France. Cabernet Sauvignon is loved for its high concentration and age worthiness.

PRIMARY FLAVORS: Black cherry, black currant, cedar, baking spices, and graphite.

TASTE PROFILE: Dry, full body, medium-high tannins, medium-high acidity, and 13.5%+ ABV.

FOOD PAIRING: The rich flavor and high tannin content in Cabernet Sauvignon make it a perfect partner to rich grilled meats, peppery sauces, and dishes with high flavor.

HANDLING: Serve 60–68°F, oversized glass, decant 1 hour, and Cellar 10+ years.

TASTING NOTES

Some Cabernet Sauvignon wines are sumptuous and fruity, others are savory and smoky. It all depends on where the Cabernet Sauvignon grows and how it's made into wine.

Maryhill's Cabernet Sauvignon, Proprietor's Reserve is comprised of fruit sourced from McKinley Springs Vineyard, Les Collines Vineyard, and Kiona Vineyard.

Fruit pie, black currant, sherry, clove, cocoa powder, and dried herbs aromas. Sweet fruit on the palate with a lush sweetness, subtle vanilla, and cedar flavor on the finish.
