

2020 ROSE OF SANGIOVESE COLUMBIA VALLEY

Varietal Composition:	Sourced 100% Tudor Hills Sangiovese
Appellation	Columbia Valley
Bottled:	August 09, 2021
Technical Data:	Alc. 12.5% by vol; RS: 1.12; TA: 5.93 g/l; pH 3.07
Cases Produced:	7745
Production & Aging:	Fermented in stainless steel

THE VINTAGE

The 2020 growing season was a consistently temperate season. Few extreme heat days allowed for even vine ripening and little stress on grape flavor development. While some areas in the Columbia Valley were impacted from early season frosts, Maryhill saw little damage in the locations that grapes were sourced from. The acids held well across white and red wines and will deliver great brightness in the whites and graceful aging for years to come in the reds.

THE VINEYARD

Sourced from award-winning Tudor Hills vineyard in Washington state's Columbia Valley AVA.

THE WINEMAKING

Throughout harvest, Winemaker Richard Batchelor worked closely with local growers and visited each vineyard to taste for maturity and ripeness to determine the precise moment to pick the fruit. Grapes were harvested during the cool hours of the morning to preserve bright fruit before being gently pressed the following morning to recover their juice. This overnight soaking allowed for maximum color and fruit extraction from the skins without the harder tannin extraction as seen in red wines. The wine was fermented at 50° F for thirty days to ensure the wine's fruit character was preserved to its fullest.

TASTING NOTES

Orange and rhubarb aromas lead into a citrus and wild strawberry note. Warm flavors of cardamom and honeysuckle on the palate follow up with fresh watermelon and a crisp and honeyed finish.

AWARDS

New Release

Pacific Northwest Winery of the Year
Wine Press Northwest, 2015

Winery of the Year
San Francisco International, 2014

Top 10 Winery of the World
World Association of Wine Writers & Journalists, 2014
